Ms. Sahar Andrade
Sahar Consulting

Re: Letter of recommendation

To Whom It May Concern:

I have known Sahar Andrade for more than two years as a professional Diversity consultant and workshop leader.

Ms. Andrade conducted successful workshops for the West Hollywood Women's Leadership Conference in 2009 and 2010, which were well attended by professional women. She received the highest praise from her audience following the first workshop, and was invited to return the following year. In fact, several participants wanted to hear more about Diversity issues confronting society, and we sincerely hope she will return for future events.

Sahar communicated effectively with all participants, regardless of their age, ethnicity or education. She is truly an international consultant. She is organized, efficient, extremely competent, and has an excellent rapport with people of all ages. Her communication skills—both written and verbal—are excellent. Sahar also has expert knowledge of Social Media and its impact on the business world.

In summary, I highly recommend Sahar Andrade for any position or endeavor that she may seek to pursue. She will be a valuable asset for any organization.
